The traditional insurance market often struggles to meet the scale of coverage needed for climate risks, leaving many communities, businesses, governments and supply chains vulnerable. Parametric insurance offers an innovative solution by paying out based on predefined, measurable events - such as wind speed, rainfall or earthquake magnitude - tracked through trusted third-party data. This approach ensures faster payouts, greater transparency, and flexibility, making it ideal for addressing climate risks in undeserved regions and industries.

OVERVIEW

Shepherd Compello is an independent, family-owned Lloyd's Broker and Coverholder based in London. Established for nearly 20 years, the company's specialist areas include:

Transportation

Our team has a wealth of experience in providing coverage for both mainstream and niche risks across North America.

Property

We offer comprehensive and competitive coverage to lenders, investors and high value homeowners across the United States and Caribbean.

Contingency

We deliver bespoke insurance solutions for a wide range of sports, media and entertainment businesses around the world.

Extended Warranty

We provide products for vehicles, scooters, trucks, agricultural machinery, brown goods, white goods and pretty much everything else in between.

Intellectual Property

We offer IP insurance which acts as an essential instrument to provide all the financial wherewithal in the event of a copyright or trademark dispute.

Cyber

We work with both SME and global corporates in order to analyse their cyber exposures and deliver bespoke solutions tailored to their specific circumstances and requirements.

Financial Lines

We specialise in providing products for financial losses experienced by companies including cover for Directors & Officers and Professional Indemnity.

CLAIMS

Insurance is a promise. A promise that when the worst happens someone will be there for you. At Shepherd Compello we understand the importance of fulfilling our obligations and, if the worst happens, the prompt payment of claims agreed.

We will handle your claim all the way through the process, from first advice, right through to final settlement, making sure there are no surprises along the way and your claim is settled on time.
